Expand your business and make more \$\$ with Aquarius!

Rainwater Harvesting

Save Water and Go “Green”
with a
rainwater harvesting system.
Capture runoff and integrate it in
your next irrigation system install.
Let the experts at Aquarius help
you expand your business.

EZ FLO Fertigation Systems

**Make more and up sell EZ FLO
systems on your irrigation jobs!**
*Guarantee repeat sales & service calls by
selling fertilizer ALL season long!*

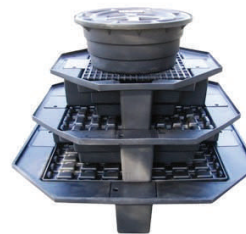

Whether you include an EZ-FLO system in a
new install or add it to an existing irrigation
system, its ease of installation, durable con-
struction and years of trouble free service
will make it a profitable extension of your
business.

Illumin Fx Fiber Optic Lighting

**Add a Fiber Optic
System to your next Pond Installation**
Put light in places you never thought possible.
The Illumin Fx system is a great
upgrade to any water feature
installation.

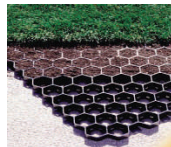

Fountain Basins

**The perfect solution for
small landscapes!**

For those landscapes that are too
small and the homeowner still wants a
water feature, the Easy Pro Fountain
Basin System is the
perfect solution. These basins can be
buried, concealed above ground and
even be used indoors!

Grass Road Pavers

EZ Roll Grass Road pavers from NDS Pro

- Easy installation & lower labor costs.
- Reduces soil compaction and protects turf.
- Allows light-heavy vehicular traffic.
