

'K-Rain Counter Day'

Featuring product training and special discounts

\$1 Off RPS75 Rotor*

Direct replacement for the HUNTER® PGP®

- 5 Year Warranty - *BETTER than what the PGP® offers!*
- Manufactured with 100% virgin resin (*not recycled*)
- Proven Performance
- Fits in a PGP® "can" (both old and new)
- Adjusts just like the PGP®
- Same specifications and spray pattern as the PGP®
- Priced lower even with Hunter® Points factored in!

\$1 Off 7001 Pro100 Valve*

PROSERIES 100 Valve

- A contemporary reliable piston-driven diaphragm makes this valve the perfect choice for dirty water applications.
- Designed to provide superior flow rates with minimal pressure loss due to the unique straight through flow path.
- It has both an internal bleed and external bleed in addition to flow control.
- It can be piped with 1" pipe in the inside of the inlet or 1-1/4" coupling over the outside of the inlet.

When: Thursday, June 24, 2010 8:00 AM — 1:00 PM
